CUTTING EDGE

Cutting Edge Paint and Paper your experienced, professional wall covering specialists skilled in the latest preparation, installation, tools, materials, and methods. From delicate grass cloth wallpaper in a powder room, to complex photo-murals in a business lobby, or a hotel with hundreds of rooms, CEP provides superior work in an efficient timeline.

**"Design is intelligence
made visible."
- Alina Wheeler, author**

We service residential and commercial properties large or small with the same attention to detail and scope. We service Southwest Montana and Northern Wyoming.

Often the dye lot differs from batch to batch in wallpaper. When you order the amount needed for a project you can make no mistakes and leave no room for error. Which is why you hire us!

MODERN. EFFICIENT. INSPIRING.

WALLPAPER

Using the latest preparation, installation, tools, materials, and methods efficient and seamless installation ensures a perfect application every time. Although wallpaper usually requires more of an investment up front, it is more durable than traditional paint. A variety of patterns, colors, textures, wallpaper elevates the look and feel of your space.

COMMERCIAL VINYL

Durable and suited for high traffic areas, commercial vinyl by cep meets your interior design needs - on budget and on time. We have all the specialized equipment necessary for installation on spaces large and small. Our rates are dependent on a variety of factors, however with our price per square foot fixed formula, you can be assured that our quote is fair and competitive.

INTERIOR/EXTERIOR PAINT

Tried and True. We originally offered detailed and high quality painting services. Trained and knowledgeable in a variety of latest paint and coating products. Interior and exterior painting available in addition to your wall covering services.

CONTACT US!

We are experienced in the latest technology, application techniques, and tools to make our installation and application accurate and efficient.

Protection of adjacent surfaces and clean up is always included in our scope.

The wall covering you provide requires expert level application because the stakes are that high.

CHRISTOPHER WOOD

CUTTING EDGE PAINT & PAPER'S founder Christopher Wood has lived in Bozeman since 2004. He founded CEP in 2008 and worked through the Recession to build a business trusted in the Gallatin Valley.
